

"HOPE CHEST"

(Wish List)

Immediate Needs

1. 1-2 hay bags
2. A large Western saddle – at least 17" but larger is better.
3. Three Rubbermaid totes (next size larger than 22 gal.) to store equipment.
4. New (unused) horse shoes (to be used for a project, NOT for our horses hooves)
5. A transformer for an electric fence plus electric fence wire and/or webbing
6. Laminating pouches (8 ½ x 11 size)

For Our Equine First Aid Kit:

Horse thermometer with string and clip

Betadine scrub

Cotton roll (for leg bandaging)

Poultices

Less Important But Still Needed

A new laptop computer (ours is on its last leg)

Horse clipper blades for Oster clippers, Model #AA12-E.

Document and photo frames

5" to 8" rubber balls (lightweight but sturdy)

A new piece of carpet for the office, approximately 11x10, preferable in medium to dark gray or navy blue. Ours is more than 10 years old and gets a LOT of wear.

A portable PA system

A small scale to weigh grain, etc. (preferably the hanging kind)

A lightweight hand truck ("dolly") to help avoid back aches, preferably one that does not weigh too much and folds flat for storage.

A good dictionary and thesaurus

A nice scrapbook and maybe an expert scrapbooker to put it together for us!
